*Note: In some cases, entries may affect more than one community, but are assigned to only one. Examples include regional school districts and highway projects that cross multiple municipalities. Statewide programs such as Unemployment Insurance and enhanced Medicaid reimbursements, are generally assigned to Boston in Suffolk County.*

*Negative values denote timing discrepancies where vendor payments were made in advance of receiving state reimbursements. Please contact [contact.stimulus@massmail.state.ma.us](mailto:contact.stimulus@massmail.state.ma.us) with any questions.*
